

Due to a scrivener's error on Plaintiff's counsel's part, the exhibits to the underlying Complaint were mistakenly left out when Plaintiff filed her Complaint. *See* Dkt. #1. When attempting to remedy this mistake after seeking direction from the Clerk's Office, the Complaint's exhibits were mistakenly filed without redacting Plaintiff's full date of birth, per Fed. Rule of Civ. Proc. 5.2(a)(2), and without the accompanying pleading identified as "Notice of Filing." *See* Dkt. #4. Therefore, Plaintiff's counsel files the present First Amended Notice of Filing Exhibits to Complaint for Relief under Title VII of the Civil Rights Act of 1964 and Plaintiff's Request for Clerk to Remove Plaintiff's Un-redacted Exhibits from Public Access, with the exhibits properly redacted and under cover of a pleading entitled "Notice of Filing."

Finally, Plaintiff requests that the Clerk remove Plaintiff's un-redacted exhibits filed with this Court as "Notice of Filing by Allison S. Phillips re 1 Complaint Exhibits 1-7" from public access on CM/ECF a/k/a Pacer, to protect Plaintiff's birthdate from being available to the public, as contemplated by Fed. Rule of Civ. Proc. 5.2(a)(2).

This 8th day of December, 2016.

Respectfully submitted,

EDENFIELD, COX, BRUCE, & CLASSENS, P.C.

NOTICE TO THE PERSON AGGRIEVED:

Title VII of the Civil Rights Act of 1964, the Americans with Disabilities Act (ADA), or the Genetic Information Nondiscrimination Act (GINA): This is your Notice of Right to Sue, issued under Title VII, the ADA or GINA based on the above-numbered charge. It has been issued at your request. Your lawsuit under Title VII, the ADA or GINA must be filed in a federal or state court WITHIN 90 DAYS of your receipt of this notice; or your right to sue based on this charge will be lost. (The time limit for filing suit based on a claim under state law may be different.)

☐

More than 180 days have passed since the filing of this charge.

☒

Less than 180 days have passed since the filing of this charge, but I have determined that it is unlikely that the EEOC will be able to complete its administrative processing within 180 days from the filing of this charge.

☒

The EEOC is terminating its processing of this charge.

☐

The EEOC will continue to process this charge.

Age Discrimination in Employment Act (ADEA): You may sue under the ADEA at any time from 60 days after the charge was filed until 90 days after you receive notice that we have completed action on the charge. In this regard, the paragraph marked below applies to your case:

☐

The EEOC is closing your case. Therefore, your lawsuit under the ADEA must be filed in federal or state court WITHIN 90 DAYS of your receipt of this Notice. Otherwise, your right to sue based on the above-numbered charge will be lost.

☐

The EEOC is continuing its handling of your ADEA case. However, if 60 days have passed since the filing of the charge, you may file suit in federal or state court under the ADEA at this time.

Equal Pay Act (EPA): You already have the right to sue under the EPA (filing an EEOC charge is not required.) EPA suits must be brought in federal or state court within 2 years (3 years for willful violations) of the alleged EPA underpayment. This means that backpay due for any violations that occurred more than 2 years (3 years) before you file suit may not be collectible.

If you file suit, based on this charge, please send a copy of your court complaint to this office.

**INFORMATION RELATED TO FILING SUIT
UNDER THE LAWS ENFORCED BY THE EEOC**

*(This information relates to filing suit in Federal or State court under Federal law.
If you also plan to sue claiming violations of State law, please be aware that time limits and other
provisions of State law may be shorter or more limited than those described below.)*

**PRIVATE SUIT RIGHTS -- Title VII of the Civil Rights Act, the Americans with Disabilities Act (ADA),
the Genetic Information Nondiscrimination Act (GINA), or the Age
Discrimination in Employment Act (ADEA):**

In order to pursue this matter further, you must file a lawsuit against the respondent(s) named in the charge within 90 days of the date you receive this Notice. Therefore, you should **keep a record of this date**. Once this 90-day period is over, your right to sue based on the charge referred to in this Notice will be lost. If you intend to consult an attorney, you should do so promptly. Give your attorney a copy of this Notice, and its envelope, and tell him or her the date you received it. Furthermore, in order to avoid any question that you did not act in a timely manner, it is prudent that your suit be filed **within 90 days of the date this Notice was mailed to you** (as indicated where the Notice is signed) or the date of the postmark, if later.

Your lawsuit may be filed in U.S. District Court or a State court of competent jurisdiction. (Usually, the appropriate State court is the general civil trial court.) Whether you file in Federal or State court is a matter for you to decide after talking to your attorney. Filing this Notice is not enough. You must file a "complaint" that contains a short statement of the facts of your case which shows that you are entitled to relief. Your suit may include any matter alleged in the charge or, to the extent permitted by court decisions, matters like or related to the matters alleged in the charge. Generally, suits are brought in the State where the alleged unlawful practice occurred, but in some cases can be brought where relevant employment records are kept, where the employment would have been, or where the respondent has its main office. If you have simple questions, you usually can get answers from the office of the clerk of the court where you are bringing suit, but do not expect that office to write your complaint or make legal strategy decisions for you.

PRIVATE SUIT RIGHTS -- Equal Pay Act (EPA):

EPA suits must be filed in court within 2 years (3 years for willful violations) of the alleged EPA underpayment; back pay due for violations that occurred **more than 2 years (3 years) before you file suit** may not be collectible. For example, if you were underpaid under the EPA for work performed from 7/1/08 to 12/1/08, you should file suit before 7/1/10 -- not 12/1/10 -- in order to recover unpaid wages due for July 2008. This time limit for filing an EPA suit is separate from the 90-day filing period under Title VII, the ADA, GINA or the ADEA referred to above. Therefore, if you also plan to sue under Title VII, the ADA, GINA or the ADEA, in addition to suing on the EPA claim, suit must be filed within 90 days of this Notice and within the 2- or 3-year EPA back pay recovery period.

ATTORNEY REPRESENTATION -- Title VII, the ADA or GINA:

If you cannot afford or have been unable to obtain a lawyer to represent you, the U.S. District Court having jurisdiction in your case may, in limited circumstances, assist you in obtaining a lawyer. Requests for such assistance must be made to the U.S. District Court in the form and manner it requires (you should be prepared to explain in detail your efforts to retain an attorney). Requests should be made well before the end of the 90-day period mentioned above, because such requests do not relieve you of the requirement to bring suit within 90 days.

ATTORNEY REFERRAL AND EEOC ASSISTANCE -- All Statutes:

You may contact the EEOC representative shown on your Notice if you need help in finding a lawyer or if you have any questions about your legal rights, including advice on which U.S. District Court can hear your case. If you need to inspect or obtain a copy of information in EEOC's file on the charge, please request it promptly in writing and provide your charge number (as shown on your Notice). While EEOC destroys charge files after a certain time, all charge files are kept for at least 6 months after our last action on the case. Therefore, if you file suit and want to review the charge file, please make your review request within 6 months of this Notice. (Before filing suit, any request should be made within the next 90 days.)

IF YOU FILE SUIT, PLEASE SEND A COPY OF YOUR COURT COMPLAINT TO THIS OFFICE.

MEMO

TO: Allison Phillips
CC: Ramsey Fields, Clint Inman
FROM: Em Hubbard
DATE: 3/29/16

Yesterday during our regular athletics administration meeting, Mr. Inman told me that you had approached him about getting extra pay for working with middle school track. He confirmed that you had attended a middle school track meet last week, that you were working with 6 middle school students to prepare them for competition, and that you intended to participate in two more middle school meets at Bulloch Academy over the next few weeks.

While I consider working with this small group of student-athletes to be a reasonable expectation for you to do under your defined job descriptions as middle school physical education teacher, varsity track coach, and assistant athletic director, I will accept Mr. Inman's recommendation for a small additional stipend.

If you continue to work with these students and if you attend and participate in the two upcoming middle school track meets, I will authorize an additional stipend of \$150 for participating in the meets, plus \$.50 per mile travel reimbursements for your trips to Bulloch Academy. The stipend will be paid in your April paycheck.

FROM: Em Hubbard, Head of School
DATE: 4/25/2016

EH

Allison,

Our enrollment numbers are very low for Pre-K 3 and Pre-K 4 classes. Since the major portion of your duties is to serve as a teacher aide, I cannot offer you an employment agreement at this time because we may not need aides in those two classes due to small enrollment numbers.

I have already told the other teacher aide about the enrollment situation and that I also cannot ensure her employment for next year.

If you would like to be considered for other positions that may become available, please contact your college registrar's office and have them provide me with a copy of your transcript. A transcript is required to help me determine your qualifications for other duties, but there is no transcript in your personnel file.

Christian-based education since 1969

A Little History

<https://www.deaeagles.com/about/#1452221440042-c1c559a4-91c7>

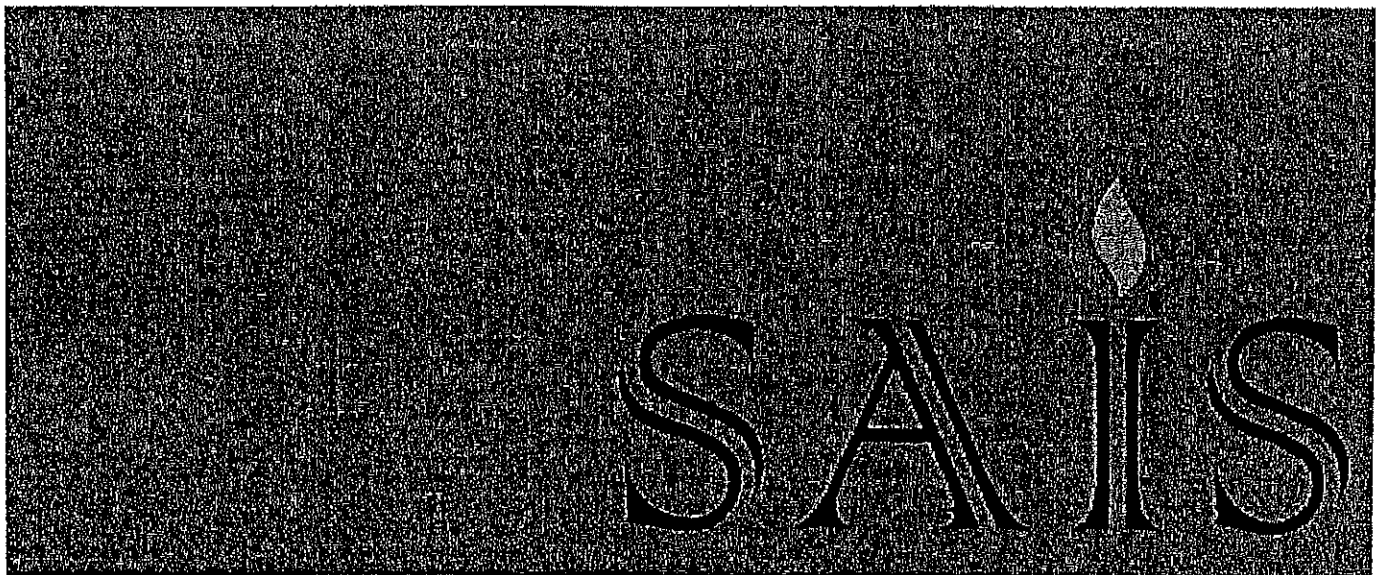

From its humble beginnings of instruction in only eight grade levels in the fall of 1969, David Emanuel Academy has grown to encompass pre-k through twelfth grades. Through these halls, traditions abound and a strong academic curriculum has set the pace for decades.

During the 1960's, an educational movement was taking place and the need for further instruction without the interference of government was at a peak. It was this push for reform that inspired local parents to refurbish two brick school buildings that had served in years past as Stillmore School. One of such buildings was an impressive two story Greek revival structure that housed an upstairs auditorium and remained in use until it was destroyed by fire on August 14, 2010.

In its first year of operation the school was directed by local business owner and parent, Mrs. Virginia Snell, and originally consisted of only grades first through eighth. Within the next year, under the supervision of Mr. David Beecher, the school's enrollment increased to encompass twelve grades. It was during his tenure that the school expanded its faculty and extracurricular offerings to help guide DEA into becoming the school it is today.

David Emanuel Academy currently draws students from 7 surrounding counties and has consistently produced both athletic and literary graduates who succeed in continuing an advanced education. It continues to be a cornerstone of success by nurturing a family atmosphere, providing strong academic curriculum, encouraging athletic involvement, and spiritually connecting them all together.

Accreditation

David Emanuel Academy is accredited by the Southern Association of Schools (SAIS) and the Southern Association of Colleges and Schools (SACS).

Dear Parents of Varsity Boys and Girls Basketball Players:

Oliver Hubbard has accepted the position of varsity girls basketball coach along with returning as varsity boys head coach. He is looking forward to working with both teams.

Oliver will also be helping yearlings at DEA as a assistant to Coach Inman and Kristi Flowers for middle school PE and athletics.

Coach Inman will be holding football workouts on Tuesdays and Thursdays throughout June from 10:00 AM until Noon and Coach Jordan has scheduled football workouts at 5:00 PM on Mondays, Tuesdays, and Thursdays through June.

Oliver and I invite all boys and girls interested in basketball to attend basketball workouts on Tuesday and Thursday, June 7 and 9 from 4:00 to 6:30 PM.

The timing is purposeful so that those athletes who come to football strength and conditioning sessions can stay over for basketball and there is no conflict with girls softball practices.

For those who stay after football workouts, we will make sure the athletes get a snack before basketball begins.

We hope male and female players will want to continue to come to the gym to work on basketball skills twice per week in June and July, but we will determine future summer basketball dates based on how many show up on June 7 and 9.

Note: Players new to the program and rising 8th graders are welcome to attend these sessions.

If you have any questions or comments, please email me or call my mobile phone at 843/992-3819.

We are already looking forward to another exciting year of athletics at DEA in 2016-17! Go Eagles!

Warm regards,
 Eric Hubbard
